keeping the records of service of soldiers belonging to regiments abroad, on a
more in accordance with that in use previously to the introduction of the roll book.

II. His Royal Highness accordingly desires that officers commanding the depôt
the regiments specified in the margin* will, under the superintendence of the
commanding the depôt battalion to which they belong, and in concert with the
battalion paymaster, immediately prepare and forward to Head Quarters, on W.
Form No. 738, complete copies (duly certified) of the register sheets of all
belonging to the service companies of the regiments, which copies, when rec
to be taken charge of by regimental paymasters, and to be deposited in their offic
lieu of the copy of the 3rd page of the attestation, now kept by them on W. O. F
No. 361), where they are to be held constantly available for immediate reference

signatures.

The officers commanding the regiments mentioned above will, on the 1st Janu

Regulations respecting Foreign Orders.

1. No Subject of Her Majesty shall accept a Foreign Order from the Sovereign of any foreign country, or wear the Insignia thereof, without having previously obtained Her Majesty's permission to that effect, signified by a Warrant under Her Royal Sign Manual.

2. Such permission shall not be granted to any Subject of Her Majesty, unless the Foreign Order shall have been conferred in consequence of active and distinguished Service before the Enemy, either at Sea or in the Field; or unless he shall have been actually and entirely employed beyond Her Majesty's Dominions, in the Service of the Foreign Sovereign by whom the Order is conferred.

3. The intention of a Foreign Sovereign to confer upon a British Subject the Insignia of an Order, must be notified to Her Majesty's Principal Secretary of State for Foreign Affairs, either through the British Minister accredited at the Court of such Foreign Sovereign, or through His Minister accredited at the Court of Her Majesty.

4. If the service for which it is proposed to confer the Order has been performed during War, the Notification required by the preceding Clause must be made not later than two years after the exchange of the Ratifications of a Treaty of Peace.

If the service has been performed in time of Peace, the Notification must be made within two years after the date of such service.

5. After such Notification shall have been received, Her Majesty's Principal Secretary of State for Foreign Affairs shall, if the case comes within the conditions prescribed by the present Regulations, and arises from naval or military Services before the Enemy, refer it to Her Majesty's Principal Secretary of State for the War Department previously to taking Her Majesty's pleasure thereupon, in order to ascertain whether there be any objection to Her Majesty's permission being granted.

A similar reference shall also be made to the Field Marshal Commanding in Chief, if the application relates to an Officer in the Army, or to the Lords of the Admiralty, if it relates to an Officer in the Navy.

6. When Her Majesty's Principal Secretary of State for Foreign Affairs shall have laid the Queen's pleasure on any such application, and shall have obtained Her Majesty's permission for the person in whose favour it has been made to accept the Foreign Order, and wear the Insignia thereof, he shall signify the same to Her Majesty's Principal Secretary of State for the Home Department, in order that he may cause the Warrant required by Clause 1 to be prepared for the Royal Sign Manual.

When such Warrant shall have been signed by the Queen, a Notification thereof shall be inserted in the Gazette, stating the service for which the Foreign Order has been conferred.

7. The Warrant signifying Her Majesty's permission may, at the request and at the expense of the person who has obtained it, be registered in the College of Arms.

8. Every such Warrant as aforesaid shall contain a Clause providing that Her Majesty's permission and permission does not authorize the assumption of any style, appellation, rank, precedence or privilege appertaining to a Knight Bachelor of Her Majesty's Realms.

9. When a British Subject has received the Royal permission to accept a Foreign Order, he will not at any future time be allowed to accept the Decoration of a higher Class of the same Order, to which he may have become eligible by increase of rank in the Foreign Service, or in the Service of his own country; or any other distinctive mark of honour strictly consequent upon the acceptance of the original Order, and common to every person upon whom such Order is conferred.

10. The preceding Clause shall not be taken to apply to Decorations of the Guelphic Order which were bestowed on British Subjects by Her Majesty's predecessors, King George IV. and King William IV., on whose heads the Crowns of Great Britain and of Hanover were united.

Decorations so bestowed cannot properly be considered as rewards granted by a Foreign Sovereign for services rendered according to the purport of Clause 2 of these Regulations. They must be rather considered as personal favours bestowed on British Subjects by British Sovereigns, and as having no reference to services rendered to the Foreign Crown of Hanover.

Regulations respecting Foreign Medals.

1. Application for permission to accept and wear Medals which, not being the decoration of any Foreign Order, are conferred by a Foreign Sovereign on British Subjects in the Army or in the Navy for military or for naval services, should be addressed, as the case may be, to the Field Marshal Commanding in Chief or the Lords of the Admiralty, who, if they see fit, may submit the same to Her Majesty's Principal Secretary of State for Foreign Affairs for Her Majesty's sanction; upon obtaining which, they may grant such permission without any other formality.

2. Permission to wear a Foreign Medal cannot be granted to a British Subject, unless such Medal be bestowed for military or naval services performed by the command or with the sanction of Her Majesty. But no permission is necessary for accepting a Foreign Medal, if such Medal is not to be worn.

ARMY CIRCULAR.

No. 7.—1867.

War Office, 1st August, 186

The following Royal Warrant, Regulations and Instructions are promulgated for the Army by direction of the SECRETARY OF STATE FOR WAR, in accordance with the arrangements detailed in Army Circular No. 1;—

FINANCE.

41.—Royal Warrant granting an Increase of Pay to the Army.

VICTORIA R.

Whereas we have been pleased to take into our consideration the best means of improving the condition of the non-commissioned officers and soldiers of those regiments and corps of our Army which are liable to service in all parts of the world, and also of encouraging recruiting for our regiments of the line; and whereas it has been represented to us that this end may most effectually be attained by the grant of an increase to the existing rates of pay as fixed by our Royal Warrant of the 3rd February, 1866;

Our will and pleasure therefore is, that the pay of all ranks of non-commissioned officers and of the private men of our regiments and corps after mentioned, that is to say:—

1. Foot Guards,
2. Cavalry and Infantry of the Line,
3. Royal Artillery,
4. Royal Engineers,
5. Military Train,
6. Royal Canadian Rifle Regiment,
7. Cavalry Depôts and Depôt Battalions,
8. Recruiting Districts,
9. Schools of Gunnery and Musketry,
10. Departmental Corps

be, from and after the 1st day of April last, increased by an addition of twopence a-day to the several rates of daily pay assigned to them by our said Warrant.

In consequence of the exceptional rates of pay at present granted to our Household Cavalry, we have not deemed it expedient to extend to all ranks of those regiments the grant of the additional twopence a day; but we are pleased to take this opportunity of assimilating the rates of pay of our regiments of Life Guards and Royal Horse Guards, and have therefore determined that the following schedule be substituted for that portion of our Royal Warrant of the 3rd of February, 1866, which regulates the pay of our Household Cavalry.

It is our further will and pleasure that, as a special inducement to soldiers to re-engage for a second period of service in our Army, a further addition of one penny a day be, from and after the 1st day of April last, made to the pay of all men who have completed, or who shall have completed, a first period of limited service, and shall now or hereafter be serving in any corps or regiment in our service, except in colonial corps other than the Canadian Rifles. We do further command that this additional pay of one penny a day during a second period of service shall, as regards the non-commissioned officers and men of the Royal Canadian Rifle Regiment, be in lieu of the exceptional addition of one penny a day now received by soldiers of that corps serving under special engagement for continued service.

Given at our court at St. James's, this 29th day of June in the 31st year of our reign.

JOHN S. PAKINGTON.

2. In addition to the above, officers will either be accommodated in public quarters or receive lodging money, and, with the exception of the general officer commanding, will be granted an addition of 2*s.* 8*d.* a day, in lieu of forage and grooms, for each horse they may be entitled to keep by Warrant or special authority.

4. An additional allowance of 3*s.* a day, will be granted to the commanding officer of each regiment or corps, and to the heads of the Adjutant General's, Quartermaster General's, Commissariat, Medical, Purveyor's, Military Steward and Barrack Departments; also to the commandants at Colombo, Galle, Trincomalee, Kandy and the Straits, if not in receipt of it in any other capacity.

5. Officers of Royal Engineers who are in receipt of servant allowance and of extra pay, which includes allowances for lodgings, fuel, light and travelling within five miles of their station, will be allowed 2*s.* 8*d.* a day in lieu of forage and grooms for such horses they may be entitled to keep; and, in addition, the following rates in lieu of rations of provisions, and extra allowance:—

Subaltern		

6. If in consequence of the death or temporary absence of an officer from the command an officer of inferior rank succeed to the command of a regiment or corps, or to the charge of a department, he will receive the allowances of the rank next above his own. A captain of Royal Artillery, so situated, should the Artillery command devolve, will be made that of a Lieutenant Colonel, will receive the allowances of a major, although the corps does not contain that regimental rank. A captain of Royal Engineers in like circumstances will receive consolidated allowance at the rate of £17 a month, or 11*s.* 4*d.* a day.

7. Brevet officers will be granted allowances according to their regimental rank, unless actually in performance of higher duties than those which attach to their regimental commissions; but the higher rate will in no case be allowed unless the superior duties have been performed for a period exceeding one month.

8. An officer's allowances will commence on the day of his arrival in the command, as notified in General Orders, and will cease on the day he leaves it.

9. Officers on promotion will receive the allowances of their new rank from the date of the General Order notifying the promotion.

11. All claims for lodging-money will be supported by the usual certificate that the officer actually provided himself with lodgings, and was not, and could not be, accommodated in any building belonging to or hired by the public.

12. Claims for forage allowance will be supported by certificates, showing the number of horses which have been actually kept.

13. Officers drawing these allowances are not entitled to soldier servants, and they will, therefore, furnish certificates that they had not the services of any soldier or other person paid by the public. In any case in which an officer may be allowed a soldier servant under competent authority, a deduction of 1*s.* a day will be made from his consolidated allowance in respect of every such soldier servant.

43.—Hospital Stoppages.

Warders of military prisons admitted into military hospitals will be charged the actual cost of their subsistence while in hospital, in addition to the stoppage fixed by article 619 of the Royal Warrant of the 3rd February, 1866.
